INTRODUCTION

On the 348 rolls of this microfilm publication are reproduced the applications submitted for shares of the money that was appropriated for the Eastern Cherokee Indians by the Congress on June 30, 1906. The Eastern Cherokee applications, August 29, 1906-May 26, 1909, are part of the Guion Miller Enrollment Records that are among the records of the U.S. Court of Claims. This publication also includes a general index to Eastern Cherokee applications (two vols.).

History

Before the U.S. Court of Claims was established in 1855 there was no procedure by which claims arising against the U.S. Government could be enforced by suit. Consideration of claims was provided for when the Treasury Department was established in 1789; later acts of the Congress authorized the Department to settle all claims by or against the Government. If a claim was rejected by the Treasury Department, the claimant's only course of action was to appeal directly to the Congress. Petitions to that body for relief had become so numerous by the middle of the 19th century that the Congress was beginning to find it impossible to make the proper and necessary investigations for actions on the claims.

The U.S. Court of Claims was established by an act of February 24, 1855, to hear claims against the United States including those referred to the court by the Congress, based on any law of the Congress, any regulation of an executive department, or any contract with the Government, whether explicit or implied. Under this act the court served only as a factfinding agency, and its conclusions were submitted to the Congress for approval and for the granting of awards. In 1863 the Congress enlarged the court's jurisdiction and gave it authority to render judgments against the Government, with the right of appeal to the Supreme Court. An act of 1925 abolished appeals from the Court of Claims to the Supreme Court and substituted writs of certiorari.

An act approved July 1, 1902 (32 Stat. 726), gave the Court of Claims jurisdiction over any claim arising under treaty stipulations that the Cherokee Tribe, or any band thereof, might have against the United States and over any claims that the United States might have against any Cherokee Tribe or band. Suit for such a claim was to be instituted within 2 years after the act was approved. As a result, three suits were brought before the court concerning grievances arising out of the treaties:

(1) *The Cherokee Nation v. The United States*, General-Jurisdiction Case No. 23199; (2) *The Eastern and Emigrant Cherokees v. The United States*, General-Jurisdiction Case No. 23212; and (3) *The Eastern Cherokees v. The United States*, General-Jurisdiction Case No. 23214.

On May 18, 1905, the court decided in favor of the Eastern Cherokees and instructed the Secretary of the Interior to identify the persons entitled to participate in the distribution of funds for payment of the claims. On June 30, 1906, the Congress appropriated more than \$1 million for this purpose. The task of compiling a roll of eligible persons was begun by Guion Miller, special agent of the Interior Department. In a decree of April 29, 1907, the court (1) vacated that part of its earlier decision that had given the Secretary of the Interior responsibility for determining the eligibility of claimants and (2) appointed Miller as a special commissioner of the Court of Claims.

The same decree also provided that the fund was to be distributed to all Eastern and Western Cherokee Indians who were alive on May 28, 1906, who could establish the fact that at the time of the treaties they were members of the Eastern Cherokee Tribe or were descendants of such persons, and that they had not been affiliated with any tribe of Indians other than the Eastern Cherokee or the Cherokee Nation. The decree further provided that claimants should already have applications on file with the Commissioner of Indian Affairs, or should file such applications with the special commissioner of the Court of Claims on or before August 31, 1907. Additionally, applications for minors and persons of unsound mind were to be filed by their parents or persons having their care and custody, and applications for persons who had died after May 28, 1906, were to be filed by their children or legal representatives.

In his report of May 28, 1909, Miller stated that 45,847 separate applications had been filed, representing a total of about 90,000 individual claimants, 30,254 of whom were enrolled as entitled to share in the fund--3,203 residing east and 27,051 residing west of the Mississippi River. On June 10, 1909, the court confirmed and approved the roll, submitted by Miller in his report, of Eastern Cherokees who were entitled to a share of the fund except "so much as shall be expected (excepted) to on or before August 30, 1909." After the exceptions had been filed and investigated, Miller submitted a supplemental report and roll to the court on January 5, 1910. In this report he stated that about 11,750 exceptions had been made, that the names of 610 persons (238 east and 372 west of the Mississippi) had been added to the roll, and that the names of 44 persons (5 east and 39 west of the Mississippi) had been stricken from the roll because clerical errors in enrollment had been discovered. Thus the final figure on the total number of persons entitled to share in the fund was 30,820, of which 3,436 persons

resided east and 27,384 resided west of the Mississippi River. On March 15, 1910, the court finally decreed that the rolls be approved and that, after certain deductions for expenditures, payments were to be made equally among the Eastern Cherokees who were enrolled. The court also authorized the Secretary of the Treasury to issue a warrant in favor of each person.

In certifying the eligibility of the Cherokees, Miller used earlier census lists and rolls that had been made of the Cherokees by Hester, Chapman, Drennen, and others between 1835 and 1884. Copies of some of these rolls and the indexes to them are filed with the Miller records (filmed as M685). Other enrollment records used by Miller are among the classified subject files of the Bureau and are designated as "33931-11-053 Cherokee Nation."

Records

The applications contain sworn evidences of identity and were filed with the Interior Department's Office of Indian Affairs until April 29, 1907 (the last application was No. 22268), after which the applications were filed directly with the court. The application required each claimant to state fully his or her English and Indian names, residence, age, place of birth, name of husband or wife, name of tribe, and names of children. It further required the English and Indian names of the claimant's parents and grandparents, place of their birth, place of their residence in 1851 if they were living at that time, dates of their death, and a statement as to whether any of them had ever before been enrolled as Indians for annuities or other benefits and, if so, with what tribe. Each claimant was also to furnish the names of all brothers and sisters, with their ages and residences, and the names and residences of all uncles and aunts. Applications were required to be made under oath and to be supported by affidavits of two witnesses who were well acquainted with the applicant. With each application is a card showing final action taken and the reasons therefore. Filed with many of the applications are inquiries concerning the status of the cases, requests for further evidence, protests about unfavorable actions, form letters that had been sent by the special commissioner to the applicants as notices of rejection of their applications and returned by the Post Office Department as unclaimed, affidavits and statements of witnesses, powers of attorney, and last wills and testaments. The applications are arranged by the number assigned at the time the application was received. There are some gaps in the application numbers; these are explained on insert sheets at the appropriate places on the film. The index is arranged alphabetically by name (either English or Indian) of claimant.

Many of the files contain a cross-reference card to other applications. This cross-reference card often refers to the EX file, the report on exceptions filed by Miller on January 5, 1910.

History

Before the U.S. Court of Claims was established in 1855 there was no procedure by which claims arising against the U.S. Government could be enforced by suit. Consideration of claims was provided for when the Treasury Department was established in 1789; later acts of the Congress authorized the Department to settle all claims by or against the Government. Petitions to that body for relief had become so numerous by the middle of the 19th century that the Congress was beginning to find it impossible to make the proper and necessary investigations for actions on the claims.

The U.S. Court of Claims was established by an act of February 24, 1855, to hear claims against the United States including those referred to the court by the Congress, based on any law of the Congress, any regulation of an executive department, or any contract with the Government, whether explicit or implied. Under this act the court served only as a factfinding agency, and its conclusions were submitted to the Congress for approval and for the granting of awards. In 1863 the Congress enlarged the court's jurisdiction and gave it authority to render judgments against the Government, with the right of appeal to the Supreme Court. An act of 1925 abolished appeals from the Court of Claims to the Supreme Court and substituted writs of certiorari.

An act approved July 1, 1902 (32 Stat. 726), gave the Court of Claims jurisdiction over any claim arising under treaty stipulations that the Cherokee Tribe, or any band thereof, might have against the United States and over any claims that the United States might have against any Cherokee Tribe or band. Suit for such a claim was to be instituted within 2 years after the act was approved. As a result, three suits were brought before the court concerning grievances arising out of the treaties:

(1) *The Cherokee Nation v. The United States*, General-Jurisdiction Case No. 23199; (2) *The Eastern and Emigrant Cherokees v. The United States*, General-Jurisdiction Case No. 23212; and (3) *The Eastern Cherokees v. The United States*, General-Jurisdiction Case No. 23214.

On May 18, 1905, the court decided in favor of the Eastern Cherokees and instructed the Secretary of the Interior to identify the persons entitled to participate in the distribution of funds for payment of the claims. The applications contain sworn evidences of identity and were filed with the Interior Department's Office of Indian Affairs until April 29, 1907 (the last application was No. 22268), after which the applications were filed directly with the court. The application required each claimant to state fully his or her English and Indian names, residence, age, place of birth, name of husband or wife, name of tribe, and names of children. It further required the English and Indian names of the claimant's parents and grandparents, place of their birth, place of their residence in 1851 if they were living at that time, dates of their death, and a statement as to whether any of them had ever before been enrolled as Indians for annuities or other benefits and, if so, with what tribe. W. L. Godbehere, being first duly sworn and examined,
deposes and says:

My name is William L. Godbehere: ~~xxxxxx~~
Martha Alvina Reese was my wife, and that was her name before she
was married. My wife was born near Spring City, Rhea Co., Tenn.
1848; My wife died Nov. 6, 1904. My wife claimed her Indian
through her father, Joseph Reese. I think my wife's father
was born near Spring City, Rhea Co., Tenn. 1810. I have seen
my wife's father a few times, I never knew him very well. He died
when my wife was two years old (1850). My wife told me that
she was part Cherokee. She told me that her father's mother was
a full blood Cherokee Indian. My wife's father's mother was born
in N. C. I think. I do not know what part of N. C. My
wife's grandmother on her father's side was Polly Grant. My wife's
father, Joseph Reese, was dead in 1851. I never knew Polly
Grant personally. Neither Polly Grant nor Joseph Reese never
lived with the Cherokee Indians as a member of the tribe. None
of the ancestors of my wife through whom she claims were ever held
as slaves. They were always regarded as white people.
Neither my wife nor any of the ancestors through whom she claims
were ever enrolled and never received any money, land or other
benefits. My wife and her father were always regarded as
white people in the community in which they lived.
My children are James Henry, Sarah Savilla, Willie Jasper and
Leslie Dudley Godbehere.

May 29, 1908.

Martha B. Reese,
Dayton, Tenn.

Sir:-

Kindly advise this office why your parents were not enrolled with the Eastern Cherokees in 1831.

Why was Joseph Reese, who you state was the son of a full-blood Cherokee woman, not enrolled with the Eastern Cherokees in 1831?

Why was Polly Grant never enrolled with the Eastern Cherokees?

Did your parents live with the Cherokees as recognized members of their tribe? Were they admitted to tribal councils?

Were you, or your parents, held as a slave? If so, were you owned by White people or Indians?

Did any of your immediate relatives ever serve in a regiment of the Cherokee? If so, give their names and state when and where they were paid.

Respectfully,

W. K. AIL

COURT OF CLAIMS

Rec. JUN 6 1908
No.

17-2

STATE OF TENNESSEE

County of Hickman

Affidavit in Cherokee Indian Claim No. 36209

On this 7 day of June 1908, personally appeared before me W. H. Lister

a Notary Public in and for the County and State aforesaid, commissioned and qualified as such Emma

Satterfield a citizen of Hickman County, Tennessee, a

person with whom I am well acquainted, and whom I certify to be credible, respectable and trustworthy, and

whose statements, when made under oath, are entitled to full faith and credit in any Court of Justice in the

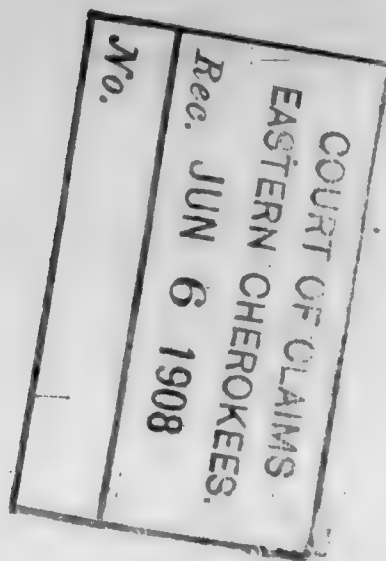

State, or in any department of the United States Government. The said Emma

Satterfield having been by me first duly sworn, according to law, deposes and says:

That she has appointed H. C. Richardson, of Dickson, Tennessee, as her lawful attorney to prosecute this claim to collection, for which she agrees to pay him 25 per cent. of the amount coming to her in this case.

I Can not say why me
nor my people were
not enrolled in 1857 I never
heard of such a thing until
I filed my claim
in this case. I never
lived with the Cherokee Indians
but my mother did and was
a recognized member of the
tribe and was admitted
to their tribal Councils. I
was a slave of white
people but recognized
by every body as a Cherokee
Indian.

Emma Satterfield

Sworn to and subscribed before me by Emma Satterfield
this the 4 day of June, 1908.

I further certify I am not directly or indirectly interested in the prosecution of this case. In testimony
whereof I have hereunto signed my name and official seal of my office on this, the 4 day of June

Emma Satterfield,

Wannally, Tenn.

Madam:-

Kindly advise this office why you were enrolled
with the Eastern Cherokees in 1851.

Did you ever live with the Cherokees as a recognized
member of their tribe? Were you admitted to tribal
councils?

Were you held as a slave? If so, were you owned
by White people or Indians?

Respectfully,

Special Commissioner.

Kindly advise this office why you were not enrolled with the Eastern Cherokees in 1851.

Did you ever live with the Cherokees as a recognized member of their tribe? Were you admitted to tribal council?

Have you been enrolled by the Dawes Commission? If so, give your number and indicate on what roll your name appears.

Were you held as a slave? If so, were you owned by White people or Indians?

Sam Stewart,

Etowah, Tenn.

Sir:-

Kindly advise this office why your parents, and grandparents, were not enrolled with the Eastern Cherokees in 1851.

Did they ever live with the Cherokees as recognized members of their tribe? Were they admitted to tribal councils?

Did any of your immediate relatives ever share in a payment to the Cherokees? If so, give their names and state when and where they were paid.

Were your parents held as slaves? If so, were they owned by white people or Indians?

Respectfully,

/s/ AIL

Special Commissioner.

Mamie:-

Kindly advise this office why your grandparents, Levi and Biddy Crawford, were not enrolled with the Cherokees in 1851. Did they ever live with the Cherokees as recognized members of their tribe? Were they admitted to tribal councils?

Did any of your immediate relatives ever share in payment to the Cherokees? If so, give their names and state when and where they were paid.

Were your parents, or grandparents, held as slaves? If so, were they owned by white people or Indians?

Respectfully,

Special Commissioner.

Sir:-

Kindly advise this office why your parents were not enrolled with the Eastern Cherokees in 1851.

Did they ever live with the Cherokees as recognized members of their tribe? Were they admitted to tribal councils?

Did any of your immediate relatives ever share in a payment to the Cherokees? If so, give their names and state when and where they were paid.

Were your parents held as slaves? If so, were they owned by White people or Indians?

Respectfully,

Special Commissioner.

Sir:-

Kindly advise this office why your parents were not enrolled with the Eastern Cherokees in 1851.

Did they ever live with the Cherokees as recognized members of their tribe? Were they admitted to tribal councils?

Did your grandparents ever live with the Cherokees as recognized members of their tribe?

Were you held as a slave? If so, were you owned by white people or Indians?

Respectfully,

Emanuel Stafford being first duly sworn deposes and say:

My name is Emanuel Stafford, and I am 52 years of age. I live in Parker, Ind. I claim Indian descent through my father. Uncle Perry always told me that I was akin to the Indians because he and his brother, who was my father, was kin. My father was Meridith Stafford, born in Randolph County, Ind. He died when I was about 9 years old. Uncle Perry and his father all came from N.C. Guilford County, about 1833. I have heard my Uncle Perry say this. My father never got any money from the Government on account of his Indian blood and he was recognized as a colored in the community in which he lived. My grandfather was named Enos Stafford. My uncle said he was about 1/2 blood Cherokee. My grandfather came to Ind. at the same time that my uncles did and brought all his family. I never heard uncle Perry say anything about Cherokee recognition by the tribe in N.C.

Court of Claims
Tahlequa I. T.

Sir - I write to make statement and ask how I shall proceed to obtain benefits due me and my children, as Cherokees who made proof years ago. The records at Tahlequa will show that I made proof, paid my fees and with my minor children was enrolled in the fall of the year 1881 or 1882. I do recall which year. Ross was Chief, Charley Hoy Clerk. I was left a widow, my health failed and I came back to Arkansas to live over my connection. I have never received any benefit of land or money. Now I ask you to instruct me and my children (who are of age) how to proceed to get our rights. Several weeks ago I rec'd a letter from A. P. Cagle, Claim Agt. Honawa I. T. telling me that under existing laws, that I and my

children
would have to make another application.
He sent a blank applications to me and my
four sons to be filled out and signed before
a Notary. He required from each \$2.50 as
commission fee. Also sent a Contract which
obligated each to pay him 10 per cent of all
benefits received. He complied with
his proposition, thinking it the only chance
to come in. I have heard nothing more from
Mr Eagle. Later I have been informed that
as I had previously made proof and I
and children had been enrolled, that it would
not be necessary to employ Agent or pay additional
fess. So I will know what ^{we} will have to do
in the matter. Please write me fully on
the subject.

You are further advised that it was proper for you to file these applications, as the claims you filed some years ago would not have been sufficient for this present enrollment.

If there is anything further required in connection with these applications you will be notified.

Sir:-

Relative to your application for participation in the Eastern Cherokee Fund, kindly state why your name does not appear on the Cherokee roll of 1851, and why those of your parents or other ancestors through whom you claim Cherokee descent and who were living in 1835 and 1851, do not appear on the Cherokee rolls of those dates.

Did you or any of your ancestors ever receive any Civil War money? If you or any of your ancestors were ever held as a slave, state whether you were owned by white people or Indians.

Have you been enrolled by the Census Commissioner? If so, what is the number of your enrollment and on what roll does your name appear? Where were your grandparents living in 1835?

Give the names of those ancestors who ever lived as an Indian wife, give the name of the tribe, and state the time when each lived with that tribe, naming the county and state where they then lived, or at least, if any, they took in the tribal councils.

Very respectfully,

My name is Benjamin T. Stacy. I live at Greenbrier, Ark. I was born in 1869. in Jackson Co. Ark. I claim my Indian blood through my mother, whose maiden name was Adeline Vaughn. She was born in Tenn. I don't know what county. She died in 1902 and was about 80 years old. I don't know whether she lived with the Indians or white people in Tenn. I don't know whether or not she was a recognized member of the tribe. She left Tenn. in about 1867. She just took a notion to move to Ark. She never received any money or land from the Govt. on account of her Indian blood. I never made an ap l. before the Dawes Commission. I have an aunt who has filed an application. Her name is Lydia Woolley. Appl. #1674 (?)

Sir:-

Kindly advise this office why your parents were
not enrolled with the Eastern Cherokees in 1851.

Did they ever live with the Cherokees as recognized
members of their tribe? Were they admitted to tribal
councils?

If they were held as slaves, state whether they
were owned by white people or Indians.

When did your ancestors move to the West?

Respectfully,

Special Commissioner.

Madam:-

Kindly advise this office why your parents and grandparents were not enrolled with the Eastern Cherokees in 1891.

Did they ever live with the Cherokees as recognized members of their tribe? Were they admitted to tribal councils?

If your parents were held as slaves, state whether they were owned by White people or Indians.

Respectfully,

Special Commissioner.

and says:

My name is Jesse A. Hammons. I was born in this county, and am 56 or 57 years old. I have been told that I was of Cherokee Indian blood, and first heard that a little over a year ago just before the filing of this application. I never knew until then who my grandmother was. My grandmother was Mary Neal. My brother told me that and an Indian out in Indian Territory tried to get my brother to make claim for Indian lands and she told him that his grandmother was Mary Neal and that she could fix it so that he could get his claim. I do not know what that Indian woman's name was. We then went to our Aunts, Dillie Williams, who was a Womick before she was married, who lives in this county and she told us that was her name. My aunt said she was small when she died but that since the war some of the Neal's have come in and told her that she was part Indian. My mother and sister as far as I know were not enrolled in 1851 as Indians and my aunt said she never heard of any enrollment. My grandfather Womick ~~and~~ came to Tennessee about 1839 or 1840 and at that time his wife, Mary Neal, was dead. Mary Neal was the mother of James Womick.

Sir:-

Kindly advise this office why you were not enrolled with the Eastern Cherokees in 1851.

Did you ever live with the Cherokees as a recognized member of their tribe? Were you admitted to tribal council?

Have you been enrolled by the Dawes Commission? If so, give your number and indicate on what roll your name appears.
